

TO: Advisors and Former Advisors of NCASC Member Schools
DATE: January 15, 2024
RE: **Election for NCASC Executive Director and Central District Director**

The current terms for these two adult leadership positions expire at the end of the 2024 NCASC State Convention (March 15-17 at Sun Valley High School).

On January 1 NCASC Executive Director, Colby Cochran, announced that he will not be a candidate for re-election and will conclude his official service as Executive Director to the NCASC at the 97th annual State Convention.

Current member school advisors who are registered and attend the convention will elect a new Executive Director at the Advisor's Business Meeting on March 16. Current NCASC member school advisors (or former advisors of a NCASC member school during their service as an advisor) may apply, provided other eligibility requirements are met. The application and basic information are now posted on the NCASC website --- www.ncasc.us --- and are attached to this email notice. Please share with other eligible advisors you know who may be interested in applying for this position but did not receive this email and/or may be unaware of this opportunity. **The deadline to apply via email to colbycochran53@gmail.com is Friday – March 8, 2024.**

The NCASC will have a new Executive Director for the first time in many years. It is anticipated that advisors interested in serving in a leadership role in the NCASC may have questions about the position that go beyond the constitutional duties and responsibilities being provided in this notice. To provide an overview, additional information, and address any questions that anyone may have, **two virtual Information Sessions are planned**. Interested advisors and/or potential candidates who want to know more about the role, work, and expectations of the Executive Director are invited to attend either session. **Attendance is not required to apply but is highly encouraged**. No advance registration is required. Just login if you want to learn more or have questions.

Information Session 1 **Thursday – January 25 6:00 – 7:00 pm**
