Dear Delegate and Parent/Guardian:

We are delighted that your child will be attending the North Carolina Association of School Councils Summer Leadership Workshop. Because we wish to ensure the safety of your child, as well as all other participants, we have developed the following behavioral expectations.

All delegates are expected to:

1. Attend all conference sessions at the designated times and places. Delegates should realize that, if they are to receive the greatest benefits from the NCASC workshop, they must be willing to participate actively and appropriately at all times. For the duration of the workshop, delegates should not deviate from the stated schedule. Delegates are not allowed to leave the NCASC activity until it ends. A delegate may leave early with written requests from parent/guardian. A delegate who leaves early must sign out in the office and may only return to the workshop with permission by the Workshop/Executive Director.
2. Wear the designated workshop nametag/lanyard to and throughout all workshop activities.
3. Display the appropriate mode of attire and behavior that is representative of any student council position at all times. Because the NCASC workshop is held in the summer, students may dress casually, but appropriately. We highly encourage wearing comfortable bottoms, comfortable shoes, and school/StuCo shirts all week (except for the banquet on Thursday evening). Clothing should not be indecent, lewd, or offensive. Students wearing prohibited apparel will be asked to change. Shirts and shoes must be worn at all times.
4. Refrain from using electronic devices, including cell phones, headphones, and hand-held games during any meeting, activity, or general session, unless requested by the facilitator.
5. Respect the rights and safety of others. Students exhibiting irresponsible behavior that endangers the health, safety, or welfare of themselves or others may be sent home immediately at their expense. Students are expected to demonstrate respect toward other students, advisers, presenters, and guests. Therefore, the following behavior will not be allowed: disrupting presentations or sessions, interfering with delegate/staff members' ability to participate, or creating an intimidating, harassing, hostile, or offensive environment in person or online.
6. Observe NCASC rules, which will be announced at the opening session of the workshop. A delegate shall be financially responsible for any damage to the campus, residence hall, Mars Hill University property, or NCASC property.
7. Observe all local, state, and federal laws and regulations. Understand that the possession or use of alcohol, tobacco (including e-cigs or vape pens), marijuana, or illegal drugs is strictly prohibited. Delegates shall not possess, handle, or transmit any object that could reasonably be considered a weapon. Any delegate found possessing or under the influence of any illegal drug or alcohol, or possessing a weapon will be dismissed from the event and sent home immediately at delegate's

expense. The delegate's principal and parent/guardian will be notified of the infraction. If necessary, campus security and/or the local authorities will be notified.

8. Inform an adult if a problem arises. The safety and well-being of all workshop participants is of utmost importance. For this reason, if at any time during the conference an incident occurs that makes the student feel threatened, harassed, unsafe, or intimidated, they should tell an NCASC staff person.
9. Room assignments will be made by the Summer Workshop Staff based on the gender indicated on the Summer Workshop Registration form and the Commitment/Agreement Form.
10. Refrain from having mixed groups in residence halls; that is, no boys in girls' halls or vice versa. Delegates shall observe their room assignment at all times, which can only be changed upon approval of the Executive Director. Regardless of delegates' gender identity or sexual orientation, there will be no sexual conduct between delegates at residence halls. Rules set forth by the dean of women/men shall be followed.
11. Remain on the Mars Hill University campus and may not invite non-delegates to participate in workshop activities or into residence halls.
12. Respect the property of others. Students are not to take objects from workshop areas or any other property visited. Theft and vandalism will not be tolerated.
13. Understand that during the workshop, photos and/or videos will be taken of delegates and campers' images may be used by NCASC.
14. Accept that an infraction of NCASC rules will be met with consequences, which may include being sent home (at delegate's expense) and that the student may be barred from participating in future NCASC activities. The principal, advisor, and parent/guardian shall be informed of the infraction.

Your signatures below indicate that you have read and discussed the above guidelines with your student and are in agreement with these expectations. We appreciate your support of your child's involvement in leadership development.

Furthermore, as parent/guardian of a participant at the workshop, I hereby state that I am aware of and accept the risk inherent in the workshop activities. I do hereby agree to hold harmless; and indemnify the North Carolina Association of School Councils, their volunteers, officers, agents and employees, from any and all liability, loss, damages, costs, or expenses which are sustained, incurred or required arising out of the actions of my dependent in the course of the activity.
