Greetings Community Partner:

The North Carolina Association of Student Councils (NCASC) Central District is excited to launch our district-wide service project, the 100 Kits of Compassion Challenge, and we invite you to partner with us in making a meaningful difference in our communities.

As NCASC celebrates its 100th anniversary, we are commemorating this milestone by challenging every Central District school to return home with 100 completed hygiene kits to donate to local shelters, community organizations, or agencies that serve individuals experiencing homelessness. Through this collective effort, student leaders across the Central District will provide thousands of essential hygiene kits to neighbors in need while celebrating a century of student leadership and service.

During our district conference, students will participate in an assembly-line service project, packaging hygiene kits while developing teamwork, collaboration, and servant leadership skills.

How You Can Help

The easiest and preferred way to support this project is by purchasing items from our Amazon Wishlist via this link: https://a.co/0bthVU1A. All items purchased from the wishlist will be shipped directly to Hillside High School, the NCASC Central District Conference Chair School, where supplies will be organized and prepared for the conference service project.

Suggested donation items include the following:

- Travel-size toothbrushes
- Travel-size toothpaste
- Dental floss
- Bar soap or travel-size body wash
- Unscented deodorant
- Wet wipes
- Wide-tooth combs or brushes
- New socks
- Gloves
- Hand or foot warmers
- Emergency thermal blankets
- Washcloth

Community partners who prefer to make a monetary donation are asked to work directly with the designated point person for the school they wish to support. Funds received will be used to purchase additional supplies needed to complete that school's hygiene kits. Your generosity will not only provide essential items to individuals experiencing homelessness but will also inspire the next generation of student leaders to live out the values of compassion, service, and community engagement.

If you are interested in supporting the 100 Kits of Compassion Challenge or have questions about donating, please contact the point person for your designated school:

Email: _____
Phone: _____

We are grateful for donations of every size. Every contribution helps us reach our goal of providing 100 hygiene kits for each participating Central District school while honoring 100 years of NCASC and making a meaningful difference in communities across North Carolina. **Please consider making your donation(s) no later than Friday, October 9, 2026 to ensure timely delivery to Hillside High School.**

Thank you for partnering with the NCASC Central District as we work together to demonstrate compassion, inspire service, and strengthen our communities.

With gratitude,

Hillside High School
